Library Training Services Australia is an authorised training & student recruitment partner of Australis College.
CUL50111 DIPLOMA OF
LIBRARY AND INFORMATION SERVICES

Get ready for a career in library and information services.

COURSE DETAILS
Designed for para-professionals, this specialist course is designed to equip you with the necessary skills and knowledge you need to qualify as a Library Technician. Upon graduation, you will have the confidence to work in different specialist areas including working as a team leader or supervisor in a library. In smaller libraries, this may involve a key leadership and management position.

YOU’LL LEARN TO*:
• acquire and maintain library resources and promote reading and literature
• assist customers with complex reference queries or interlibrary loan/document supply requests
• deliver group training sessions for staff or clients in relation to work tasks or information literacy skills
• show customers how to use multimedia equipment, software and/or other technologies
• use social media tools to communicate with library stakeholders and/or to promote library services
• conduct community engagement activities and events
*Refer to Australis College website for full list of units.
