## VFH Statement of VET Tuition Assurance

- 1 Under the provisions of Schedule 1A to the Higher Education Support Act 2003 (the Act) and chapter 3 of the *VET Guidelines*; Australis College Pty Ltd ABN: 37 117 951 327 ACN: 117 951 327 (the First Provider) must comply with the VET Tuition Assurance requirements.

This is to protect VET students in the event that Australis College ceases to provide a VET course of study in which a VET student is enrolled. The meaning of 'ceasing to provide a VET course of study' is set out in the *VET Guidelines*. A copy of this is available from: <http://www.comlaw.gov.au/Series/F2012L02569>.

- 2 In the event that Australis College ceases to provide a VET course of study in which a VET student is enrolled the VET student is entitled to a choice of:

- a) an offer of a place in a similar VET course of study with a Second Provider without any requirement to pay the Second Provider any VET tuition fee for any replacement VET units (this is known as the "[VET Course Assurance Option](#)");

**OR**

- b) a refund of their up-front VET tuition fee payments and/or a re-crediting of any FEE-HELP balance for any VET unit of study that the VET student was enrolled or commences but does not complete because that Australis College ceases to provide the VET course of study of which the unit forms part (this is known as the "[VET Tuition Fee Repayment Option](#)").

5 For the purposes of VET FEE-HELP, all courses offered by Australis College in accordance with the course requirements of clause 45 of Schedule 1A to the Act are covered by the Scheme as part of its membership of the Scheme.

6 A VET student may choose either:

**The VET Course Assurance Option:**

7 Under the VET course assurance option, a VET student will be offered a place in a similar VET course of study by the VET TA Administrator. If the VET student accepts this option, the VET TA Administrator will make all necessary arrangements to ensure a VET student is able to enrol with the Second Provider in the similar VET course of study. This offered VET course will lead to the same or a comparable qualification without any requirement on the part of the VET student to pay the Second Provider any VET tuition fee for any replacement VET units (that is, units that the VET student had commenced but not completed because the VET course ceased to be offered). A VET student will receive full credit from the Second Provider for any VET units of study successfully completed at that Australis College.

8 The Second Provider nominated by the VET TA Administrator may have different VET tuition fees to the fees the VET student would have paid for VET units of study which were part of the VET course of study that Australis College ceased to provide but which the VET student had not yet started studying.

9 A VET student is not obliged to enrol in a VET course of study with a Second Provider offered by the VET TA Administrator under the VET Course Assurance Option. However, if he/she enrolls with any other VET provider there is no obligation on that VET provider to offer full credit transfer for the VET units of study completed with that Australis College or to offer replacement VET unit/s free of charge.

**OR**

**The VET Tuition Fee Repayment Option:**

10 Under the VET Tuition Fee Repayment Option, the VET TA Administrator undertakes to pay the VET student the total of any up-front VET payments already paid by the VET student for any VET units of study the VET student has commenced but not completed because the VET course ceased to be offered. VET students selecting this option will also have their FEE-HELP balance re-credited for the uncompleted VET units.
