Choose a career that pays dividends.

**Course details**
The Diploma of Financial Planning equips you with the expertise and skills needed to provide a range of standard financial planning services and is the primary pathway into an exciting, rewarding and prosperous career. Typically this qualification is suitable for those looking to work in financial planning services, those looking to gain a better understanding of financial principles, as well as those interested in offering specialist para-planning services.

**You’ll learn to**:  
- Assist clients to identify financial goals and priorities and assess their current financial situation  
- Carry out financial planning analysis and research  
- Understand and be able to provide advice on appropriate products and services  
- Have a sound knowledge of standards and ethical guidelines  
- Prepare and deliver a financial plan

*Refer to Australis College website for full list of units*

**Career opportunities**
Careers and titles vary across different industry sectors. Possible job titles relevant to this qualification include:

- **Para-planner** $47,000 - $60,000
