Aero Dynamic Flight Academy (RTO 31217) is an authorised student recruitment and training partner of Australis College (RTO 31518).
AVI50408 DIPLOMA OF AVIATION

COURSE DETAILS
A specialist qualification for the aviation industry, this exciting course equips you with the skills you need to become employed with a charter or airline company. As well as becoming an expert in complex technical flight operations, you will learn to select appropriate equipment, participate as part of a team, solve problems and develop strategic initiatives. This qualification is delivered in partnership with Aero Dynamic Flight Academy (RTO 31217) who specialise in the training of recreational, commercial and airline pilots for the domestic and international markets.

YOU’LL LEARN TO*:
- Plan a flight under Instrument Flight Rules
- Navigate aircraft using only flight instruments
- Operate and manage aircraft systems
- Conduct full and limited instrument panel manoeuvres
- Perform instrument arrivals and departures
- Perform a visual circling approach, non-directional beacon (NDB) instrument approach, VHF omnidirectional radio range (VOR) instrument approach
*Refer to Australis College website for full list of units.

WHAT’S INCLUDED
The following is included in the course (and can be covered under the VET FEE-HELP loan scheme, eligibility criteria applies).
- Flight training (Dual, Solo & Simulator)
- Flight hours: CPL holders will receive a minimum of 30 hours flight and 20 hours simulator. PPL holders will receive a minimum 110 hours flight and 5 hours simulator
- Aircraft type endorsements on Cessna 172, Cessna 310, Piper Arrow, Piper Challenger
- Aircraft hire & Fuel (For Diploma Study)
- Pre flight briefings
- Post flight de-briefings
- Theory courses

CAREER OPPORTUNITIES
This qualification provides the ability to become employed with a charter or commercial airline company utilising skills of multi-engine and instrument rating. Other career options also include, but are not limited to:
- Flight instructor
- Aero Medical Pilot (Care flight, Royal Flying Doctors)
- Military Pilot (Airforce, Army, Navy)
- Agricultural Pilot
- Search and Rescue
- Surveillance

DURATION & COST
This course has a cost of $72,000 and a length of 40 weeks for students who hold a Civil Aviation Safety Authority (CASA) issued Private Pilot Licence (PPL). For students who hold a Civil Aviation Safety Authority (CASA) issued Commercial Pilot Licence (CPL) or AVI40108 – Certificate IV in Aviation (Commercial Pilot Aeroplane Licence) the cost is $27,000 and the duration is 15 weeks.

COMBINE THEORY WITH PRACTICAL FLIGHT TIME
Training and assessment will be delivered primarily face-to-face with an online study component. Training and assessment delivery is in Queensland only, based at the Sunshine Coast Airport Marcoola. All training and assessment of this qualification will be conducted by Aero Dynamic Flight Academy (RTO 31217)*. The course is structured so that full time students are to attend class approximately 38 hours per week in class and practical sessions with additional self-paced learning, web forums and research outside of class. Included in the practical sessions:
- Use of multi engine planes (e.g. Cessna 310)
- Use of flight simulator

ACCREDITATION
This qualification is nationally recognised under the Australian Qualification Framework (AQF).

ENTRY REQUIREMENTS
Students of this course must have either a:
- CASA issued Private Pilots Licence (PPL) to undertake the 40 week course.
- CASA issued Commercial Pilots Licence (CPL) are eligible to undertake the 15 week course.
- AVI40108 – Certificate IV in Aviation (Commercial Pilot Aeroplane Licence) are eligible to undertake the 15 week course.

Before enrolment, all prospective students complete a short phone interview and, if necessary, an Australis College Skills Assessment to ensure they have the basic skills needed to be successful in completing the qualification.

Students wishing to apply for VET FEE-HELP are required either to produce their Year 12 Australian Senior Secondary Certificate of Education or complete Government designated online core skills assessment before they are deemed eligible to receive this government loan.

*Refer to Australis College website for full list of entry requirements

AERO DYNAMIC FLIGHT ACADEMY IN PARTNERSHIP WITH AUSTRALIS COLLEGE
Aero Dynamic Flight Academy is one of the leading pilot training facilitators in Australia, particularly in Queensland, focusing primarily on the provision of commercial pilot training and airline pilot preparation. They have established an outstanding reputation for producing professional pilots, whilst continuing to introduce fresh and progressive initiatives designed to meet the ever changing face of aviation, along with the growing demands of both the discerning customer and industry employer.

*Aero Dynamic Flight Academy have formed a strategic alliance with Australis College, where aviation students studying the AVI50408 Diploma of Aviation (Instrument Flight Operations) undertake their training through Aero Dynamic Flight Academy but access VET FEE-HELP through Australis College, who will issue the qualification under their aviation faculty.
