PURPOSE

Australis College is committed to providing a fulfilling learning experience that enables students to not only achieve their education potential, but to provide additional services that will enable the students to become job ready.

Complaints and grievances arise when a student is dissatisfied with any aspect of Australis College, and requires action to be taken to resolve the matter.

Appeals arise when a student is not satisfied with a decision or outcome by Australis College. Appeals can relate to assessment decisions, but they may also relate to other decisions made by Australis College.

SCOPE

All complaints, grievances and appeals are treated professionally and confidentially. Australis College ensures all complaints are dealt with in a fair, equitable, responsive and accountable manner.

All grievances will be reviewed and a decision provided within five (5) business days of receiving the grievance.

All complaints and appeals will be reviewed and a decision communicated in writing within fifteen (15) business days of receiving the written complaint or appeal.

The Quality team keeps a Quality Notification Register (QNR) which documents all complaints, grievances and appeals; as well as their resolution. Any substantiated complaints, grievances and appeals will be reviewed as part of continuous improvement processes.
