Meet the demands of this exciting and growing industry!

COURSE DETAILS
Completing this qualification will allow you to become competent in Intense Pulsed Light and Laser Hair Reduction techniques.

The SIB70110 Graduate Certificate in Intense Pulsed Light and Laser Hair Reduction is a comprehensive course for those working in the medical or beauty industry looking to specialise in dermal therapy. Build on your current skills as a nurse or beauty therapist by gaining the knowledge to design and safely apply IPL and laser hair reduction techniques.

Students will study theoretical components of the course, as well as receiving full practical training and access to IPL and laser equipment at one of our supervised training salon facilities.

YOU’LL LEARN TO*:
• Design and apply non-ionising radiation treatments using intense pulsed light and laser technologies to reduce unwanted hair on the face and body
• Select and use appropriate technology, and apply it safely and in compliance with regulatory requirements
• Analyse ongoing technological developments and evaluate information from a variety of sources to build personal capability

*Refer to Australis College website for full list of units.

CAREER OPPORTUNITIES
An IPL and Laser Therapist may work in a beauty salon, or with a cosmetic clinic, medi-spa or clinical practice providing advanced hair reduction treatments.

ELIGIBILITY CRITERIA
To enrol in the SIB70110 Graduate Certificate in Intense Pulsed Light and Laser Hair Reduction, individuals will need to meet the following entry requirements:
• Hold the SIB50110 Diploma of Beauty Therapy or a relevant qualification at diploma level or above in medical health, including the study of human biology, anatomy and physiology; and
• Significant and relevant vocational experience as a beauty therapist with a primary focus on providing facial services, skin services and hair reduction services, or
• Evidence of significant and relevant vocational experience relating to the application of human biology, anatomy and physiology knowledge in their respective field.

GET THE AUSTRALIS ADVANTAGE
Australis College offers ‘job ready training, today’ and all of our training is purpose built with that in mind – to ensure you are highly skilled and ready to enter the workforce.

What is the Australis Advantage?
Industry Expert Trainers. To guarantee you the best outcome we employ industry-experienced and qualified trainers in all of our course areas. Get the edge by gaining real world insights from industry experts who have worked in the types of jobs you’re hoping to land when you graduate.

More Personal Learning. You’ll never feel like a number at Australis College. Because we have smaller student-to-trainer ratios across our different faculties, you will receive more one-on-one attention and support to help you get through your course. We also offer flexible study options including online learning, blended learning, and recognition of prior learning to accommodate your preferred learning style and to fit in with your busy schedule.

Employment Pathway Programs. Australis also offers a range of unique employment pathway programs that are designed to give you the skills, knowledge, and industry contacts to assist you during your search for employment.

Flexible Payment Options. The full tuition fee for this course is 7,500**. Australis College offers a range of flexible payment options so you can start learning and earning. Monthly and yearly payment plans are available for students to pay as they go.

**Correct at time of printing. Refer to Australis College website for course cost and payment options.
