Update to Training Packages

Recent changes to the SIB50110 Diploma of Beauty Therapy qualification package will mean a change to the training provided in this qualification. Students are permitted to enrol into the 2010 version (SIB50110 Diploma of Beauty Therapy), but must be aware that they will be transitioned to the 2015 version ([SHB50115 Diploma of Beauty Therapy](#)) before 25th September 2016, unless they complete the course prior to that date. The effect of this change to their studies will be minimal, and the resulting qualification will meet all requirements for accredited training so the same level of qualification will be achieved.
