

# ARE YOU PUTTING YOUR CAREER FIRST?

Australis College is excited to introduce its **Professional Training Programs**, designed to deliver the course and level of support specific to your individual needs.

Pricing for our Professional options range from

**\$2,900 - \$3,900**

*Payment plans & finance options available*

**Expand & upgrade your knowledge and skills**

**Same quality programs, flexible support structure**

**Pricing to suit your personal support requirements**

Our Professional programs are designed for those who are working in industry and looking to gain that qualification or upskill current expertise.

We currently offer a range of programs targeted to the motivated working professional in Business and Financial Services. Whether you are looking for advancement or seek to continue building on your professional development, Australis can provide the avenue to set yourself apart and provide that competitive edge.

**More than a qualification.**

## Qualifications & Professional Development training are available in:

**Business & Leadership**

**Project Management**

**Social Media Marketing**

**Mortgage Broking**

**Accounting**

**Financial Planning**

We offer the level of learning support that is best for you, either in our Professional package (for the self-directed worker with industry or study experience), or in our Premium package (for those Professionals seeking closer engagement with our experienced trainers).

You may also be entitled to Recognition of Prior Learning for experience already acquired (eligibility criteria apply).

To determine what is best for you, please visit our website, or call one of our friendly course consultants.
